Dear Sir:

In the above-identified application, please approve the proposed changes in the drawings which are summarized below and are shown in red ink upon attached photocopies of the effected drawing sheets.

IN THE DRAWINGS:

The drawings are objected to under 37 C.F.R. 1.83(a). More particularly, the Examiner has noted that the feature of a removable tang must be shown in the drawings or the feature must be cancelled from the claims. In response, the Applicant has added Figure 5 which clearly illustrates the concept of the removable tang. As the concept of a
